ABOUT ME

Enrica Quaranta
Freelance Photographer
Florence - Italy

ENRICA QUARANTA was born in the Province of Taranto, Italy, in 1979. At the Academy of Fine Arts of Florence, she developed a love for photography, which became explicit in her thesis and in her Master at the Riccardo Bauer Center in Milan in 2007 - 2009. She is working as a free-lance photographer and instructor of photography. She lives and works in Florence.

In both her professional and personal endeavors, her photographic vision focuses on and intimately investigates the human condition and its behavioral dynamics within the socio-cultural context in which she lives.
